our future

**all we can do**

**Cement your memory and

support our patients and their families.

## All we can do... to celebrate a life

The Prince of Wales Hospice was built by supporters like you 'buying a brick'. Today, you can be an important part of our future by buying your own Celebration Paver.

**You can never be sure what the future holds. But you can be sure that your paver will be here as long as we continue to support our patients and their families.**

Your paver will be laid in our beautiful Hospice gardens. They provide the perfect place for you to celebrate the life of someone special or simply show your support.
