Consent from parents/guardians if you are under 13

We are committed to protecting the privacy of the young people that engage with us through our website and at fundraising events. Many of our fundraising events request specific information about the age of participants or attendees. Where age limits apply anyone under the age of 16 must obtain parental or guardian consent before participating in an event. Children aged under 13 must obtain the consent of a parent or guardian before providing any personal data. Where a supporter is known to be under the age of 13, we will be glad to send an acknowledgement for their support, but will not send marketing communications about other Hospice initiatives.

Keep in touch! (for Parent/Guardian)

We would like to keep you up to date with the work your donations are funding and ways you can support it.
